

Sit. Stay. Art! 2013 Call for Entries

Sit. Stay. Art! is a unique collaboration between local artists and humane organizations in an effort to bring awareness to the community about pet overpopulation and adoption. Sit. Stay. Art!'s primary goal is to help find loving, forever homes for the pets awaiting adoption at the Pets & People Humane Society, and to help raise funding for Pets & People to aid in their operations.

This year Pets & People wishes to raise awareness about pet overpopulation and to increase community awareness about the importance of spaying or neutering pets. We invite you, the artist, to participate in this project by portraying a homeless pet through visual art and then to donate part or all of the sale of your work to benefit Pets & People Humane Society.
